

WOULD YOU RECOMMEND THIS INSTRUCTOR AND COURSE TO A FELLOW STUDENT?  
WHY OR WHY NOT?

Totally. This is what bschool is for.

Yes, I believe the selection of materials for the course resulted in substantial learning

Yes, I think David brings a lot of energy, enthusiasm, and fervor for the subject, but the course workload needs to be re-evaluated.

It's a required class, but it wasn't memorable.

The course is crucial and I would definitely recommend it. I would not recommend the way the course was structured as it is not conducive to learning due to the pace, content and structure.

Yes! Finance is a difficult subject to approach but his organization of class was such that he was trying to prepare us for the best possible outcome

It was good for basics.

No. I would recommend a different instructor.

Yes, I felt David had a mastery of the course material and was able to explain difficult concepts.

Yes! Very useful and practical.

Not really . He is not explaining very well the concepts and he goes into details and losses the track of the big picture

Yes!

The material is good but I'd probably recommend trying out a different teacher.

neutral.

I would definitely recommend David to a fellow student. He is great If you really want to learn the topic of Finance

yes you learn a lot about capital budgeting and capm the course was well integrated

No, it was hard to follow and confusing

Yes

There are some core concepts that are essential in making business decisions.

No. Hard to understand, most learning occurred at GSI.

Yes. His is very knowledgeable

The course yes, the instructor no.
