TEACHING

University of California at Berkeley, Haas School of Business

MBA Teaching

2014-Present: EWMBA 204 – Operations (core EWMBA course)
Earned membership in "Club 6" for teaching excellence, Fall 2016
Earned membership in "Club 6" for teaching excellence, Fall 2015

Undergraduate Teaching

2013: UGBA 141 – Production and Operations Management (undergraduate elective course)

Volunteer Teaching

Volunteer Instructor, Center for Young Entrepreneurs at Haas
Summer 2016, Topic: Services in Manufacturing Industries: Opportunities, Challenges, and Recent Trends

University of Pennsylvania, The Wharton School

Guest Lecturer, undergraduate course on Service Operations Management, The Wharton School, University of Pennsylvania, 2009, 2010, 2011

Jose A. Guajardo

Teaching Assistant: MBA courses- Supply Chain Management, Quality & Productivity, Decision Models under Uncertainty. Undergraduate courses- Service Operations Management, Decision Support Systems, Computer as an Analysis Tool

University of Chile, Department of Industrial Engineering

Lecturer, Executive Education Diploma on Projects Evaluation. Topic: Demand Forecasting (June 2007)

Lecturer, Executive Education Program on Business Intelligence. Topic: Demand Forecasting and Credit Scoring (September 2006)

Teaching Assistant: Operations Research, Optimization, Finance, Statistics, Evaluation of Projects

Invited Lectures

Executive MBA, CUHK. Topic: Services in Manufacturing Industries: Opportunities, Challenges, and Recent Trends (July 2015)

SELECTED AWARDS & DISTINCTIONS

Fisher Center for Business Analytics research grant, 2017

Finalist, 2017 POMS College of Supply Chain Management Student Paper Competition (Zhe Zhang)

Earned membership in “Club 6” for teaching excellence, Fall 2016

Earned membership in “Club 6” for teaching excellence, Fall 2015

Finalist, 2015 MSOM Service Management SIG Prize (for the best paper published on service management in the last three years)

Barbara and Gerson Bakar Faculty Fellow, 2015-

Garwood Center for Corporate Innovation Faculty Research Grant Award, 2013

Garwood Center for Corporate Innovation Faculty Research Grant Award, 2012 (with Pnina Feldman)

Finalist, 2010 MSOM student paper competition

Winner, 2010 Juran Fellowship (Joseph M. Juran Center for Leadership in Quality at the University of Minnesota)

Wharton Risk Center Russell Ackoff Doctoral Student Fellowship, 2009 and 2010

Finalist, 2010 ISBM Doctoral Dissertation Award Competition (Penn State University)

Doctoral Fellowship, The Wharton School, University of Pennsylvania, 2007-2011

Best Teacher Assistant Award, Dept. of Industrial Engineering, University of Chile, 2002

Dean's List, School of Engineering and Sciences, University of Chile, 2002-2003

CONSULTING POSITIONS

Consultant in Business Intelligence. University of Chile, Department of Industrial Engineering, Division of External Projects. Santiago, Chile. (2005-2007)

Jose A. Guajardo

Consultant in Business Intelligence. Penta Analytics S.A., Santiago, Chile. (2003-2004)

SELECTED CONSULTING AND INDUSTRY PROJECTS

Samsung Electronics: Design of Service Quality performance metrics

Rolls-Royce: The impact of performance-based contracting on product reliability

Chrysler: Development of sales forecasting models.

COPEC (Chilean fuel Distribution Company): Development of sales forecasting models.

INDAP (Agricultural division, Chilean government): Development of credit scoring models for agricultural loans.

Banco del Desarrollo (Chilean bank): Development of credit scoring models for microcredits.

BCI (Chilean bank): Development of a methodology for estimating accruals in mortgage loans.

CONICYT (Chilean National Science Foundation): Development of models to predict the performance of applicants to doctoral programs.

Farmacias Cruz Verde (Chilean Pharmacy Chain) - Corporate Internship in Ind. Eng.

Colbun S.A. (Chilean Electricity Generation Company) - Corporate Internship in Ind. Eng.

PROFESSIONAL SERVICE AND AFFILIATIONS
