Song: Don't Stop Believin'
Artist: Journey

Just a small town girl, living in a lonely world
She took the midnight train goin' anywhere
Just a city boy, born and raised in south Detroit
He took the midnight train goin' anywhere

A singer in a smokey room
A smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on

(Chorus)
Strangers waiting, up and down the boulevard
Their shadows searching in the night
Streetlight, people, living just to find emotion
Hiding, somewhere in the night

Working hard to get my fill,
Everybody wants a thrill
Payin' anything to roll the dice, Just one more time
Some will win, some will lose
Some were born to sing the blues

Oh, the movie never ends
It goes on and on and on and on

(Chorus)

Don't stop believin'
Hold on to the feelin'
Streetlight, people

Don't stop believin'
Hold on to the feelin'
Streetlight, people

Don't stop

Please raise your hand for an experimenter to describe what to do next.
